

THE CITY OF BLOOMINGTON INVITES YOU TO OUR ANNUAL

# BUCKTHORN BUST

SATURDAY OCTOBER 10, 2015

10 AM - 12 PM

POND DAKOTA MISSION PARK

401 EAST 104TH STREET

Buckthorn, an invasive plant species that grows very quickly, is making a major impact on many of Bloomington's wooded areas by choking out native trees, shrubs, and other plants.

Join Bloomington Parks and Recreation and Bloomington Park Maintenance in helping clear buckthorn from beautiful Pond Dakota Mission Park overlooking the Minnesota River Valley. Wear sturdy shoes, jeans, long sleeve shirts, eye protection, and dress in layers. Some cutting and removal tools will be provided, but bring a bow saw, handsaw, lopping shears or hand shears if you have them. Please label tools with your name and phone number. Water and snacks will be provided for volunteers. Meet at the park to receive tools and instructions.
